**CORRECTION TO RESPONSE TO BOARD JANUARY 25, 2005 BOARD ORDER RE:  
COST ANALYSIS FOR WRAPAROUND SERVICE DELIVERY AND  
RECOMMENDATIONS FOR ALTERNATIVE PAYMENT STRUCTURES FOR  
FEDERALLY ELIGIBLE CHILDREN**

This is to advise the Board of Supervisors that we are making a technical adjustment to the cost analysis of Wraparound service delivery that was reported on May 25, 2005 in Attachment 1 of the above report. There was an inadvertent understatement of Aviva's indirect costs that necessitated an adjustment to the expenditure calculations, used to derive the monthly case rate. That adjustment resulted in a slight increase in the \$4,156 monthly case rate, referenced in the May report, which has been revised to \$4,184.

We would also like to clarify a reference in Attachment 1 regarding Aviva's staffing ratio. It stated that "...Star View maintains a higher staff-to-child ratio to provide direct services than Aviva." However, with a staff-to-child ratio of 0.8, Aviva has one of the higher staffing ratios among the Wraparound providers.

If you have any questions, please call me or your staff may contact Helen Berberian, Manager, DCFS Board Relations Section at (213) 351-5530.
